

MASTERING CRAFT COCKTAILS & SPIRITS

**Elevate your skills to truly understand cocktails
and spirits.**

DRINK
DRINK SMART

UNDERSTAND YOUR PALATE

This course combines our unique spirits programme with the Drink In approach to cutting edge mixology and inspiring the bartenders of tomorrow. This course is designed to make sure every student understands and appreciates their own palate and knows how to best create show-stopping drinks. You will gain the skills to start creating menus, enter cocktail competitions and work with the finest spirits available.

Drink In. Drink Smart.

Drink In. Drink Smart.

WHAT WE WILL COVER

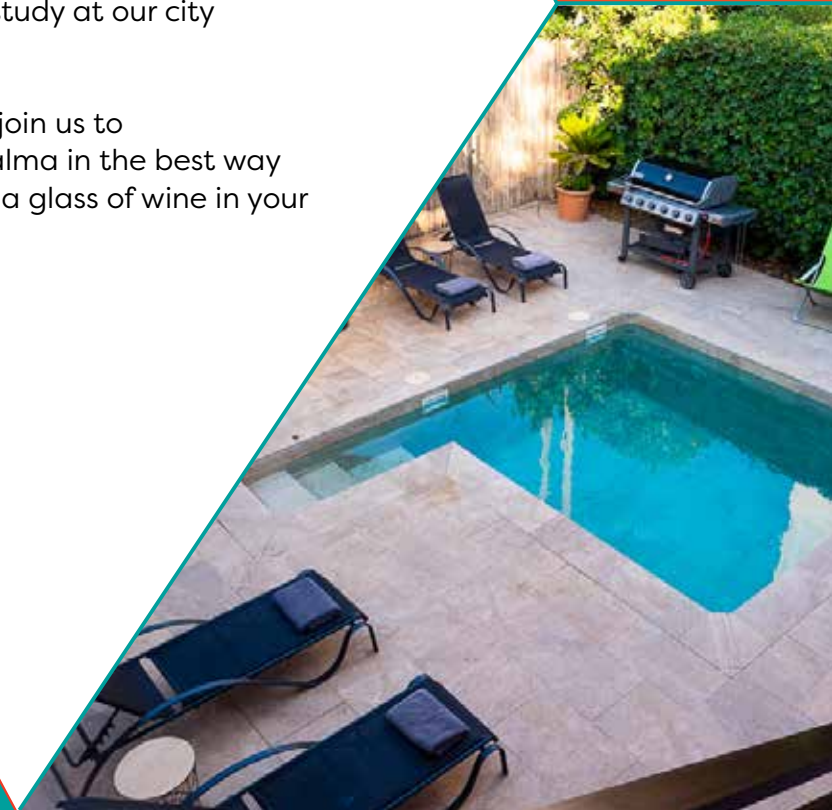

ACCOMODATION

With the Course & Accommodation package you won't have to worry about where to stay! It's all taken care of. Not only is the Villa a lovely place to rest and relax, you'll also be surrounded by the other members of your group so you can study together and help each other learn. More heads are better than one as they say!

Located 5 minutes from the airport and just 100 meters away from the beach and some incredible Palma bars and restaurants, the Villa is a great place to come back to after a day's study at our city centre school.

So come and join us to experience Palma in the best way possible, with a glass of wine in your hand!

JOIN US!

Course Price: €1249

Course Price w/ Accomodation: €1499

Accomodation option available in our Beachside Villa. Get in touch for more info.

You'll get a full textbook with all of the information we'll cover and more for you to study with.
