## DIVE INTO WINE

This week is a fun and educational experience that will kick off your journey from Grape to Glass, an in-depth experience in understanding how wines are made, the differences between grapes and the journey wine takes to be enjoyed!

By the end of the course you'll be able to taste wine using a globally recognised approach, identify key styles of wine and characteristics of important grape varieties. You'll also learn the key principles of food and wine pairing and how to apply these to your own food and wine choices.

## TOPICS

- How to taste and describe wine using the WSET Level 2 Systematic Approach to Tasting Wine®(SAT)
- How environmental factors, grape-growing, winemaking and maturation options influence the style and quality of wines.
- The style and quality of wines: made from 22 regionally important grape varieties
- How grape varieties and winemaking processes influence key styles of: Sparkling wines, Fortified wines
- Key labelling terms used to indicate origin, style and quality
- Principles and processes involved in the storage and service of wine
- Principles of food and wine pairing

## WHAT WE WILL COVER

## ACCOMODATION

With the Course & Accommodation package you won't have to worry about where to stay! It's all taken care of. Not only is the Villa a lovely place to rest and relax, you'll also be surrounded by the other members of your group so you can study together and help each other learn. More heads are better than one as they say!

Located 5 minutes from the airport and just 100 meters away from the beach and some incredible Palma bars and restaurants, the Villa is a great place to come back to after a day's study at our city centre school.

So come and join us to experience Palma in the best way possible, with a glass of wine in your hand!
